

# Certified Nurse Midwife Program

*Your partner through all maternity - naturally*

Our Lady of Lourdes Women's & Children's Hospital, home to the largest OB-GYN team in the region, is thrilled to enhance our OB care team with Acadiana's first hospital-based Certified Nurse Midwife program. Certified Nurse Midwives are registered nurses who successfully completed a master nursing midwifery program accredited by the Accreditation Commission for Midwifery Education.

**Our Certified Nurse Midwives have assisted over 1,000 women with childbirth and can provide:**

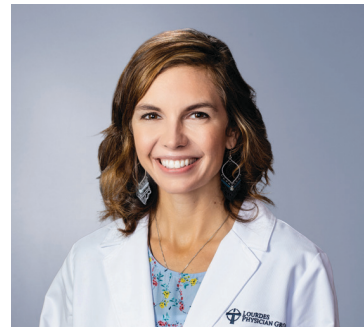

Natural childbirth techniques and guidance

Education on alternative labor pain control methods

ER assessment and treatment for expecting moms

Other labor and delivery support services
