

FMOL Health

How to Reference Us

FMOL Health is now the unified brand name, representing one connected system defined by excellence, faith and compassion.

Primary reference: FMOL Health

Market references:

- FMOL Health | Our Lady of the Lake
- FMOL Health | Our Lady of Lourdes
- FMOL Health | St. Dominic
- FMOL Health | St. Francis

Each market retains its local, legacy name to preserve the deep trust and identity that communities have built over generations. On second and subsequent references, shorten market names to Our Lady of the Lake, Our Lady of Lourdes, St. Dominic or St. Francis.

When referencing the system overall, use:

- FMOL Health, the leading Catholic health system in the Gulf South, or
- FMOL Health, a nonprofit health system rooted in the Franciscan tradition and serving Louisiana and Mississippi

Avoid shortening to “Franciscan” alone and avoid “Franciscan Missionaries of Our Lady Health.” Always use FMOL Health for system clarity and brand consistency.
